40	date under the covered policy or forty-five (45) days, but	
11	not less than thirty (30) days, after the coverage date for	

the insolvent insurer; and

1	(ii) with respect to a nongroup covered policy, claims
2	incurred not later than the earlier of the next renewal
3	date under the covered policy or one (1) year, but in no
4	event less than thirty (30) days, after the coverage date

12	(C) Make available substitute coverage, on an individual
13	basis, to each:
14	(i) owner of a nongroup covered policy if the owner had

16	until a specified age or for a specified period, during
17	which time the insurer had no unilateral right to make
18	changes in the nongroup covered policy's provisions or
19	had only a unilateral right to make changes in premiums
20	only by class; and
21	(ii) insured or annuitant under a group covered policy if
22	the insured or annuitant is not eligible for any
23	replacement group coverage and had a right, before
24	termination of the group covered policy, to convert to
25	individual coverage.
26	(D) In making available any substitute coverage under
27	clause (C), the association may offer to reissue the
28	terminated coverage or to issue an alternative policy or
29	contract. If made available under clause (C), alternative or
30	reissued policies and contracts must be offered without
31	requiring evidence of insurability and must not impose any
32	waiting period or coverage exclusion, other than a waiting
33	period or coverage exclusion provided for in this chapter,
34	that would not have applied under the terminated covered
35	policy. The association may cause any alternative or
36	reissued policy or contract to be assumed or reinsured.
37	(E) Use of alternative policies and contracts by the
38	association is subject to the approval of the domiciliary
39	insurance regulatory authority and the receivership court.

6	association. The premium must:
7	(i) reflect the amount of insurance to be provided and the
8	age and class of risk of each insured; and
9	(ii) not reflect changes in the health of the insured after
10	the terminated covered policy was last underwritten.
11	Subject to coverage exceptions, exclusions, and limitations
12	provided for in this chapter, an alternative policy or
13	contract issued by the association must provide coverage
14	similar, in material respects, to the coverage under the
15	terminated covered policy as determined by the
16	association.
17	(F) If the association elects to reissue terminated coverage
18	at a premium rate different from the premium rate
19	charged under the terminated covered policy, the
20	association shall set the premium in accordance with a
21	table of rates adopted by the association. The premium:
22	(i) must reflect the amount of insurance to be provided
23	and the age and class of risk of each insured; and
24	(ii) is subject to approval of the domiciliary insurance
25	regulatory authority and the receivership court.
26	(G) The association's obligations with respect to coverage
27	under a covered policy of an insolvent insurer or under a
28	reissued or alternative policy or contract ceases on the date
29	the coverage or covered policy is replaced by another
30	similar policy by the policy owner, insured, or association.
31	(H) Subject to subsection (u), when proceeding under this
32	subdivision with respect to a covered policy carrying
33	guaranteed minimum interest rates, the association shall
34	assure the payment or crediting of a rate of interest
35	consistent with section 2.3(e)(3) of this chapter.
36	(3) Take any combination of the actions set forth in
37	subdivisions (1) and (2).
38	(d) The association may provide money, pledges, loans, notes, or
39	guarantees, or use other means that the association, in the
40	association's sole discretion, determines are necessary or
41	appropriate to discharge the association's duties under subsection

(c).

20	
(e) Failure to pay premiums within thirty-one (31) days after the date that payment is due under the terms of a guaranteed assumed, alternative, or reissued policy or contract or substitute coverage terminates the association's obligations under this chapter with respect to the policy, contract, or coverage, exceptions and the substitution of the policy of the pol	l, e s

 - (B) economic or financial conditions, as they affect member insurers, are sufficiently adverse so as to render the imposition of the permanent policy or contract liens to be in the public interest; and
- (2) approves the specific policy liens or contract liens to be used. A court may make findings under subdivision (1) and approve policy liens or contract liens under subdivision (2) in any proceeding under IC 27-9 with respect to an insolvent insurer (including a proceeding under IC 27-9-4 in which affected policyholders or contract holders are given reasonable notice and an opportunity to be heard), or in an original proceeding involving a foreign or alien insurer instituted by the association against affected policyholders or contract holders who are residents of Indiana. Any policyholder or contract holder affected by a court's decision under this subsection may appeal the decision in the

	21
1	manner that appeals are taken from final judgments in other civil
2	actions. All parties to the proceeding shall take note of and be bound
3	by the appeal, but the appeal does not stay the proceeding.
4	(f) Before being obligated under subsections (b) and (c), the
5	association may request that there be imposed temporary moratoriums
6	or liens on payments of cash values and policy loans in addition to any
7	contractual provisions for deferral of cash or policy loan values.
8	(2) temporary moratoriums or liens on payments of cash

In addition, in the event of a temporary moratorium or moratorium charge imposed by the receivership court on payments of cash values or policy loans or any other right to withdraw funds held in conjunction with a covered policy out of the assets of the impaired insurer or insolvent insurer, the association may defer the payment of cash values, policy loans, or other rights by the association for the period of the moratorium or moratorium charge imposed by the receivership court, except for claims covered by the association to be paid in accordance with a hardship procedure established by the liquidator or rehabilitator and approved by the receivership court.

- (i) A deposit in Indiana, held by law or required by the commissioner for the benefit of creditors, including policy owners, that is not turned over to the domiciliary receiver before or promptly after the coverage date for an impaired insurer or insolvent insurer under IC 27-9-4-3 must be promptly paid to the association. The association:
 - (1) may retain a part of an amount paid to the association under this subsection equal to the percentage determined by dividing the aggregate amount of policy owners' claims related to the impairment or insolvency for which the association provides statutory benefits by the aggregate amount of all policy owners' claims in Indiana related to the impairment or insolvency; and
 - (2) shall remit to the domiciliary receiver the difference between the amount paid to the association and the amount retained by the association under this subsection.

An amount retained by the association under this subsection must be treated as a distribution of estate assets under IC 27-9-3-32 or similar provision of the state of domicile of the impaired insurer or
